ELDER SELECTION process - next phase: The first phase of the elder selection process was the congregation submitting names for consideration. There were 82 selections with 14 different men recommended from 22 cards submitted. The **Next Phase** will go through November 24. Remember, we're not looking for perfection, we are looking for humble servants who live a life worthy of the calling of God and who are dedicated to making disciples. In this phase Alex will take the list of names and will hold them up to two basic components. First is their dedication to Northtown. In the New Testament elders were selected for each congregation. Acts 14:23 states that “Paul and Barnabas appointed elders for them in each church and, with prayer and fasting, committed them to the Lord, in whom they had put their trust.” The instructions from Paul to Timothy and Titus were that they “might put in order what was left unfinished and appoint elders in every town, as I directed you” (Titus 1:5). The second component is matching the men to the qualifications found in **I Timothy 3, Titus 1, and I Peter 5**. Some examples of some of these qualifications are married (not divorced), obedient and believing children, not desiring the role for a title, and one who is humble, A full list of qualifications is found in the scriptures above. After this phase is finished, the third phase will be putting the names of those who agree to serve before the congregation. Any questions see Alex
